

GOODNIGHT CIRCUS

Hot Balkan Swing, Klezmer and Dixieland with a
colourful Gypsy Spirit and anarchic Jazz Punk!

The Goodnight Circus was established in Berlin in the year 2010 and plays an unique and miscellaneous mixture of Gypsy Swing, New Orleans Jazz and Ragtime Revival. They combine the songs of 1930's Berlin with the sounds of its current immigrant population, blending Dixieland, Jazz, Punk Rock with Turkish, Greek and Southern European styles. The multinational members of the band hail from the USA, Spain and Sweden, playing underground clubs and lindy-hop dance parties, and filling the streets of many metropolises with Hot Jazz and Balkan Swing Punk. They were on stage in some of the most well-known clubs in Berlin (Bassy, Kaffee Burger, Festsaal Kreuzberg, Astra Kulturhaus), local street music and Jazz festivals (Bergmanstraße Jazz Fest), and countless weddings. They have toured Switzerland four times, playing the famous Winterthur Musikfest Wochen Festival, as well as the legendary Moods Jazz Club in Zurich, among many other clubs. Having been as far away as the Atlantic coast in France (Good Time Jazz Fest), they also crossed the ocean to give an acclaimed and sold out concert in the Jalopy Theater in New York City. With their charming and swinging rhythms, the musicians of the Goodnight Circus turn all parties and concerts to glamorous and nostalgic circus celebrations!
