## Kozak Rock!

**Legendary cult band from Ukraine on tour - with a great live show and rocking Carpathian ska, folk punk, ethno rock'n'roll and reggae!**

**HAYDAMAKY** are a well known and legendary band for a long time now. For two decades the musicians were touring all over the world, serving us a fresh new style. **HAYDAMAKY** combine the fascinating sounds of colorful Ukrainian folk music between melancholy and lightness with the driving power of fast ska, strong punk and wild rock sounds. The result is called **KOZAK ROCK** and definitely brings everyone to dance: ska fans, punks, Balkan freaks and the increasing group of followers of East European music culture. With an incredible energetic stage show and their explosive style mix **HAYDAMAKY** rock like crazy and bring the Slavic soul to overboil!

### Press:

*„Carpathian ska and Cossack punk. Haydamaky transform every factory hall in a polka barn. That's the soundtrack of rebellion.“ **Arte Tracks***

*„Diabolic beats and a pronto Balkan trumpet produce a big fire, so that dancers will have difficulties to keep their bodies under control. Insider name that music Carpathian Ska, and this rocks like crazy!“ **sounds***

*„Rock music and traditional melodies – that works perfect! Their concerts are cult.“ **globalsounds***

*„One of the best European bands around!“ **Songlines***

*„The wild men get deeply into the musical heritage of Ukraine, and weave the old melodies into theirs songs. So they consequently include the bandura, the typical instrument of the kobzars, the mandoline, the trumpet, the flute (sopilka) and accordion into the heavy folk sound of Haydamaky.“ **Akkordeon Magazin***

*„In front of the stage a dance and pogo orgy, sweating people with a mad laughing in their face.“ **Kieler Nachrichten***

*„The wild energy of Ukrainian folk celebrations combined with an authentic punk attitude!“ **Voice of Culture***
